

CARDIAC CT LEVEL 1 CERTIFICATION COURSE

13
APRIL
8am - 5:30pm IST

This joint certification course, offered virtually, is expected to:

- Build standardization of practice and ensure professionals across India and other areas of the subcontinent and in different healthcare settings will be equipped with consistent terminology
- Cover the basics of cardiac CT image acquisition
- Provide an overview of CAD-RADS[™]
- Live case readings with experts

Attendees of this course will:

- Have access to 15 cases via the Circle Cardiovascular Imaging platform for 30 days following the course;
- Be provided SCCT Level 1 verification of experience, including a certificate, upon completion of a course evaluation;
- Receive one year of SCCT membership as part of their registration fee.

Chairs:

Priya Chudgar, MD
